Bibliografija

Ispod su navedeni glavni sekundarni izvori konsultovani prilikom istraživanja rađenih za ovu knjigu; nekoliko njih napisanih za kraljičinog života postali su primarni izvori. Ovi objavljeni prikazi života Elizabete II bili su jedan aspekt mojih istraživanja, uz neobjavljene pisane izvore, te arhive nacionalnih i regionalnih novina i časopisa, televizijske vesti i televizijske snimke uživo. Među onima s kojima sam razgovarao za vreme nastajanja knjige bilo je i sagovornika koji su me zamolili da njihova imena ne navodim; proširio sam tu poverljivost izvora na sve sagovornike koji su mi pružili podatke i gledišta na osnovu kojih je uobičen ovaj biografski prikaz.
